**PRESIDENT'S MESSAGE:**

Hello everybody,  
I hope that you all had a great summer. We just got back from a 2 month RV trip down the Mississippi River from the headwaters to New Orleans then along the Gulf coast back home.  
If you have done any RV traveling this summer, then you can understand the cost of fuel, especially if you use diesel. I started planning back last spring for upcoming musters which I hope that many of you can attend, even with fuel going up, it seems daily.  
Our first muster will be October 30th to Nov. 3rd, 4 nights in Yuma at the Caravan Oasis.

This muster will be laying the ground work to see if we can hold a regional muster at the end of March beginning of April. Dates: March 29th to April 2nd for 4 nights. So if you can make the Yuma Oct. muster, please come because we are going to need all the help we can get if we are going to do this.

As of this newsletter, we have 11 rigs signed up. So if you would like to go, call Caravan Oasis, 928-342-1480  
10500 N. Frontage Road, Yuma, AZ

I don't know if many of you have heard, SMART has combined the NW Region, which had no chapters, with the SW Region, which now only has 3 chapters, 2 in AZ and 1 CA. It is now the Western Region.
