## **A Note from Our President** **Mike Foley**

Greetings Golden Gater's

Welcome to our newsletter Foghorn. Let me introduce our board members. I'm Mike Foley and I am President of Golden Gate. Rick Hill is our Vice President, Vicki Utt is our Secretary, Cheryl Hill is our Treasure, Dennis Utt is our Muster Master. Carl Hopper is our Western Region director.

It has been a while since the Foghorn has been written and sent out to all members.

First let's welcome 3 chapters that have incorporated into our Chapter. Battle Born of Nevada, SoCal of Southern California, and California Warriors. Along with the incorporation of the other chapters into Golden Gate Chapter, the SMART Region has been renamed from the Southwest Region to the Western Region. Other chapters in the Western Region are the Arizona Tumbleweeds and the Arizona Roadrunners.

Welcome one and all, we hope you get involved with our chapter and meet all our folks. We are a fun-loving group that loves to get together and visit and have great food.

Our next Muster is at Gold Ranch Verdi, NV and will be held Jun 11th and depart Jun 16th call 775-345-8880 to reserve a space. If you can make it; we would love to see you. Tell them you are with the Golden Gate Chapter of SMART.

Our Christmas Muster this year will be held at Angels Camp RV Resort Nov 26th leaving Dec 1st you can call 209-736-0404 to reserve a space, and again, tell them you're with the Golden Gate Chapter of SMART. Our chapter gives holiday gifts such as gift cards and whatever else is needed to the Yountville Veterans home in Yountville, CA. The staff at the veterans' home will mail out a flyer

to us with requested items and we in turn will pass it on to you.

The National gathering is going to be held in Sept; you can go the SMART Web site ([smarrv.org](http://smarrv.org)) for more information and you can register on-line.

Details for the 2024 Western Regional Muster will be provided in a future Foghorn.

Recently several members of our chapter went to Rocky Point, Mexico. They all have since returned and all had a wonderful time with nice weather and great food.

I am interested in having more gatherings. If you have a place in mind, please let us know. We have several members who live in NV, several who live in Northern CA, several who live in Central CA and several who live in Southern CA., so we need to have a place that is easy to drive to for all members who are interested in having a non-muster gathering.

Well, that's all the information I have for you. I hope to make this a bi-monthly letter. If anyone is interested in writing the Foghorn, please let me know.

So, kick the tires and light the fire and get on the RV road. Take care all.
