

ARKANSAS SMART HOGS

April 2023

Our April meeting was held at Bentley's Restaurant in Greers Ferry on the 29th of April at 11:30. We had two new visitors Michaela Wann (Wann's daughter) and Alizay Metcalf (other daughter's baby girl). Alizay was our youngest visitor to date, and she was precious. Our hostess was Ann Lowry, and she picked a great place to gather.

Carolyn Eck spoke to Jeanette Duckworth. She is lonesome for her SMART HOGS friends. She says if you are a female and alone, she can let you stay overnight or if you are a couple you could possibly stay with her son or a local RV spot or hotel. She would be happy to cook your dinner. She has had to move to a really nice Assisted Living facility in Chattanooga, Tennessee to be closer to her son. Her address is Hickory Valley Assisted Living, 6705 Ballard Drive, Chattanooga Tennessee, 37421.

Mary Engel suggested, and we all agreed to collect an assortment of items for an organization that helps homeless veterans.

May is our South Central Regional in Foley, Alabama, May 9 – 12. Please plan to attend. Lisa and Bob Duckworth will be going and JoElla Huddleston will be making her first long distance trip in her new RV.

Remember to bring your items for the homeless veterans to our next muster.

Keep everyone in your thoughts and prayers for health and safe travel.

Respectfully submitted,

Bobby Duckworth
