

Cajuns Veterans Day Muster
Rivertown Rose Campground
Vicksburg, MS
November 9 – 14, 2023

The group that attended the Vicksburg Veterans Day Muster.

The Muster was held in Vicksburg, MS with Fan and Brennan Disher being our hosts. They planned an excellent muster, since it was their first, of things to do, tours, and of course food. There was usual potluck on Thursday when we arrived, followed by smoked Boston Butt and sides, muffalettas and soup, meatballs and spaghetti. There was so much food leftover that we had those on the last day we were there.

The usual card games were played, conversations held, craft project completed and just general hanging around. The Tour of the Vicksburg National Military Park was very informative and interesting. The group had a guided tour from one of the Park Service guides that lasted 2 ½ hours. Of course, it took a few minutes for the guide to hook us up with blue tooth in each car. Everyone then could hear the guide as we traveled around the park. There were several stops that everyone good get and explore that site. The group appreciated the history lesson that was given. Afterwards, we were all famished so off we went to a restaurant close by.

Again the Cajuns would like to thank our hosts for the outstanding job they did.
