

The 2024 Alamo SMARTs Fish Fry Muster officially starts at 1400 on 10 October 2024.

The cutoff for cancellation notification and refund is 1400 on 7 October 2024, 3 days prior to the official start.

The Muster Master will determine the appropriateness of refunds (in whole or partial) in the event a member cancels attendance after the cutoff date, but prior to the start of the muster.

If a registered member fails to attend the muster without notification of cancellation prior to the start of the muster, they will forfeit their muster fee.

However, it is recognized that emergencies emergency situations such as sudden illness, equipment breakdown, accidents, etc. may arise prior to or during travel which precludes attending the muster. These may be taken into consideration for muster fee refund.

To establish your right to a refund under emergency conditions, the following steps must be followed: 1. Muster Master MUST be notified by telephone (1-210-912-9276), if no answer, leave a message) or email ([hjdigio@swbell.net](mailto:hjdigio@swbell.net)) within 48 hours of the emergency. 2. Additional steps will subsequently be provided.
