

## SMART Alamo Chapter Summer Newsletter 2024

Under the direction of our Regional Director, Joe Noonan, our committee members had a meeting with the National Smart office this week to finalize some details of the 2025 National Muster to be held in Mineola, Tx. The pin has been designed, and the theme is “Two-Step to Texas”.

Yes, it’s over a year away, but if you’ve ever attended a National, you know the work that goes into it...lots of committees and lots of planning. We could still use volunteer helpers for various areas; for example, being Linda Mosley’s helper at the craft table, helping deliver raffle prizes to the table winners, sitting at the registration table and helping with paperwork as the rigs begin arriving. Easy stuff, but those extra hands are most helpful!

Please consider:

- 1) attending the 2025 National Muster, and
- 2) volunteer to be a helper to a committee leader.

Paul Rider is putting together a list of nearby hotels, B&B’s, etc for those that don’t have rigs anymore. Let’s make this National, which our Region is hosting, a big success! If you were at Mineola in 2018, you remember the fun...we’ve got the same great musical entertainer lined up, and lots of games and events planned.

Because of the heat this summer, we don’t have any camp-outs planned on our Muster schedule for June, July, or August. However, we don’t want to lose touch, so please plan to join us at one or both of our Social Luncheons in July and/or August.

Let’s not lose touch this summer...the SMART ALAMO CHAPTER has provided us all with such wonderful friendships. Feel free to invite any past members that might not be receiving these newsletters. Let’s have an Alamo reunion!
