## S★M★A★R★T Cajuns Tailgating Muster

Sun Outdoors in Robert, LA

November 8 - 10, 2024

Hosts: Brennan and Fan Disher

### The Campground

Twenty SMART Cajuns enjoyed their time together at Sun Outdoors New Orleans Northshore in Robert LA at a Tailgating Muster Friday thru Sunday. This Muster was a prelude to the upcoming Regional Muster. The campground had many amenities and a small activity hall on a beautiful lake for our Regional gatherings.

### The Activities and Food

On Friday night, Brennan Disher and Doug Letsinger grilled steaks to go with Janet Barksdale's delicious twice baked potatoes.

On Saturday, we met to finalize plans for the upcoming Central Regional Muster and welcome new members.

In the business meeting later in the week, the Cajuns voted to donate \$1000 to Wreaths Over America. Kathy Letsinger took this picture in Rayville LA in December to show us what we are sponsoring.

★ ★ ★ More Activities and Food ★ ★ ★

After the business meeting Saturday morning, we ate lunch at Middendorf's in Manchac. Several of us ventured out to the wharves connected to the restaurant on Pass Manchac where Brennan explained the workings of some crab traps we found there.

Saturday afternoon we tailgated at Brennan and Fan's camper for the LSU/Alabama football game with everyone bringing their favorite tailgate food such as several types of grilled sausage, fried chicken wings, and boudin bread. Unfortunately, the rain chased us in before the end of the game, but LSU lost anyway!!!
