Sunshine: Daphne Peterson 229-395-6949
Chaplain: Joe Kossan 336-710-3297

Haberdasher: Lee Ramsey (843) 729-0982

Hello All, this mini newsletter is a little late in coming because I was under the weather and not on the computer. I have been sick since 22 June and was released from the hospital Thursday, the 10th. I was diagnosed with pneumonia and a viral lung infection. I am continuing to recover at home.

So far we have had two good musters with many of you attending. Unfortunately, they seem to be the same faces. It would be great if those of you who have not attended a muster to plan on the next one, which will be November. Our September muster is overshadowed by the National, although we do meet there as well.

We have lost several members this year, due to illness, not camping anymore or lack of communication. Those who are not members any more are: Dorothy Bradberry, Wayne and Diane Collier, Carmen and Elaine Ciardello, Joe and Mary Ego, Sonny and Dawn Hallman, Cheryl Honeycutt, Dave and Hilda Lewis, Terry and Janice McClure, Jerry and Christine Morris, and Winston and Joyce Posey. Let's see if we can recruit some new faces. Many good friends over the years.

The National muster is in September in Mineola TX. Info on the website. Please try to attend this, as it's a great way to meet members from other parts of the country and see old friends.

Our April 2026 Regional Muster is in full swing. Our theme is "the 50s". There will be lots of fun, so bring your best costumes. We will have vendors, crafters, seminars and several contests. Please see the regional website for more info.

I hope y'all have a great (and not so hot and humid) summer.

Gail Alley
Editor
